LoPRO™

Give your Buffet a Pop of Color!

Bring a new level of style to your setup with LoPRO Wraps, designed exclusively for Spring USA's LoPRO 300W Induction Range.

iLUME

2791-ILT400 (titanium), 2791-ILW400 (white)

A new class of heat lamp with a modern design and superior infrared heat technology for better presentation and performance over traditional heat lamps.

- Powered by medium heat wave length technology
- Articulating design adjusts to your space and food requirements, 170° swivel base
- Daisy-chain feature can connect 5 iLumes to a single 120V, 15-amp outlet
- Lightweight, less than 20 lbs
- 2 LED illuminate food at 4000k color temperature
- Automatic shutoff when lamp head tilts below 90°
- 1 year Spring USA limited warranty
- ETL listed, UL 197, cETL, NSF-certified

WARMING TRAY + BATTERY

Offer foodservice wherever a wall outlet is not available or within reach. From rooftops to poolside, SpringVolt powers any configuration of Spring USA equipment totaling 1024W.

- Charges in 1.5-2 hours and runs for up to 3.7 hours
- Environmentally-friendly, LiFePo4 battery
- Powers Spring USA equipment 1000 W or less
- Made without nickel or cobalt, safer and more ethically sourced materials
- Better capacity over lithium-ion batteries
- Fast-charging within 2 hours, 5 LED battery indicators

SpringVOLT 1000W Portable Battery
